

Freedom of Information Request – 4562

Under the Freedom of Information Act 2000, and, where the information concerns the trust's buildings or estate, the Environmental Information Regulations 2004 (EIR), I request the recorded information set out below. Please treat each question under whichever regime applies.

Where a question asks about future plans, please provide only information the trust currently holds in recorded form, such as an approved business case or an entry in the capital programme. Where no time period is given, the most recent available figure is fine.

1. Operating theatres: capacity and condition

1a. As at the most recent date, how many operating theatres does the trust have in use? Please break this down by type: standard, laminar-flow, day-case or procedure, and hybrid (with integrated imaging).
