

Freedom of Information Request – 4001

I would like to make a Freedom of Information Request please. I would like to know the following:

What does the Trust use for securing the contents of resus trolleys? For example is a tamper evident seal used? (Please provide a brief description of the type used.)

Red Tamper Evident Seals

How many seals are used by the Trust annually?

7 x 1000 ordered in 12 month period

What is the Trust's annual spend on these?

Approx £720

Where does the Trust order these from? (If they are procured through the NHS Supply Chain what is their product code?)

Commercially sensitive

Who is responsible for ordering this product?

Procurement department
