

Freedom of Information Request - 3915

To whom it may concern,

I write under the terms of the Freedom of Information Act 2000 to request the following information.

The total annual income your Trust has received from private patients by financial year since 1 April 2010 and up to 1 October 2017 (Q1 and Q2 2017/18). Please also indicate what percentage the annual income from private patients has been as a percentage of total income your Trust has received in each of those financial years.

The number of private patients your Trust has treated by financial year since 1 April 2010 and up to 1 October 2017 (Q1 and Q2 2017/18). Please also indicate what percentage this is of all patients treated by your Trust in each of those financial years.

| Financial year | Annual income from private patients | Annual income from private patients as a percentage of total income Trust received | Number of private patients treated | Number of private patients treated as a percentage of all patients treated | |
|-----------------|-------------------------------------|--|------------------------------------|--|--------------------------------------|
| 2010/11 | | | | | Exceeds 7 year retention period |
| 2011/12 | 638 | 0.38% | 445 | 0.53% | |
| 2012/13 | 702 | 0.41% | 447 | 0.55% | |
| 2013/14 | 841 | 0.48% | 548 | 0.67% | |
| 2014/15 | 731 | 0.41% | 474 | 0.56% | |
| 2015/16 | 789 | 0.44% | 502 | 0.56% | |
| 2016/17 | 874 | 0.46% | 525 | 0.58% | |
| 2017/18 (Q1+Q2) | | | | | Accounts not published at this point |

NB: Number of private patients treated as a percentage of all patients treated is based on number of admitted patients only, this is because of the time it would take informatics to pull the varying different systems together to get a single figure.

Details of any investment your Trust has made in facilities to treat private patients since 1 April 2010 – East Point Consulting Rooms (EPCR) - £160k
