

**Freedom of Information Request – 4140**

**Could you please provide the following information relating to potholes across your estate:**

**Please detail the annual cost to your Trust of a) damage directly caused by potholes and b) repairing potholes, in each financial year since 2010.**

*Cost for repairs to damaged areas as follows:*

2012	£ 6,223.94
2013	£ 5,648.22
2014	£ 15,985.92
2016	£ 4,523.40
2017	£ 4,782.00

**Please detail how many potholes there are across your estate in total at the current time.** *A routine inspection in March 2018 identified 97 areas of damage – at least 53 areas of damage were repaired on 14<sup>th</sup> May 2018 leaving 44 area still requiring attention.*

**How many potholes have been reported on your estate each year since 2010? –** *Since 28<sup>th</sup> October 2010 there have been 7 areas of damage reported.*

**What is the diameter of the largest pothole currently on your estate? Please also provide details of the size of the largest pothole which has existed on your estate since 2010.** *There isn't a clear definition of what constitutes a pothole, in some cases several individual 'potholes' in close proximity form a wider area of damage. It isn't possible to answer the question accurately.*

**Please outline how many occasions there have been when you wished to repair a pothole, but due to funding shortages the pothole was not repaired or the repair was delayed.** *The only delays have been due to access restrictions or unsuitable weather conditions.*
