

Freedom of Information Request – 4320

I would like to request, under the freedom of information act:

This request refers to a time period of the second quarter of 2018, or the months April, May and June of 2018.

Please work downward through the following requests until the limits are reached:

1. Documents describing procedures for collaboration with immigration enforcement, specifically including policy concerning to but not limited to the following:
 - a. Responses to requests for patient information by immigration enforcement. If this is covered by general policy concerning information shared with law enforcement, please provide this in addition.
 - b. Information routinely shared with immigration enforcement (as differentiated from information shared with the home office in general for the purposes of charging for secondary care). For example, this might include a policy of reporting suspicious patients or patients who do not have uk citizenship or indefinite leave to remain. If this is covered by general policy concerning information shared with law enforcement, please provide this in addition.
 - c. Policy surrounding the presence of immigration enforcement officers on hospital grounds. If this is covered by general policy covering the presence of law enforcement officers, please provide this in addition.

The Trust adheres to the Overseas Visitors Charging Regulations and does not deal with immigration enforcement. Therefore there is no Trust Policy in regard to this. No immigration enforcement officers are on hospital grounds.

2. The number of incidences of patient information being shared with immigration enforcement, and the number that occurred within the time period specified above. If the cost of a time-unlimited search is likely to exceed the limits imposed by the act, please limit it to incidents since 2016, and if that is likely to exceed the cost limits, solely provide the incidents in the time period above.

No patient information has been shared with immigration enforcement.

3. Any and all written communication with immigration enforcement, and any notes, transcripts, minutes or summaries of meetings or conversations with immigration enforcement offices, redacted as appropriate.

There has been no written communication with immigration enforcement.
