

Freedom of Information Request – 4751

I am writing to request data under the Freedom of Information Act 2000 for all the Radiology and Ultrasound equipment at the hospitals within your Trust.

For support, I have attached an excel document which sets out the information that I would like to gather. I would be grateful if you could populate the attachment and provide with your response. Hopefully this will make the process easier for the person collating and providing the information. A summary of the information requested in the excel attachment is shown below:

1. For each individual Radiology and Ultrasound diagnostic imaging system within the Trust:
 - a. Site Location (Hospital Name)
 - b. Manufacturer Name
 - c. Model Name
 - d. Whether the equipment has been Purchased / Leased / MES
 - e. Age of equipment (years)
 - f. Current Service provider name
 - g. Current Service contract end date
 - h. Current Service contract type:
 - i. Preventative Maintenance
 - ii. Fully Comprehensive
 - i. Service cost per annum
 - j. Planned replacement date

Please see attached

Section h(i) and h(ii) have been left blank as complete data is not available.

Section i – service cost per annum. The Trust can confirm that it holds this information. This information is exempt under s.43(2) of the Freedom of Information Act 2000 and is therefore being withheld. The release of the service cost per annum for each supplier would provide a financial advantage to a particular supplier and it is not in the public interest for this to occur.
