

Freedom of Information Request – 4873

1. **Does your organization presently use and/or endorse a RPA/IA (*description of this detailed above*) to automate manual, rule-based processes?**

No

If the answer is NO –

- 1.1 **Is RPA/IA something that the organisation would consider (within the next 2 years) as a way of supporting reduced human resource capacity & to improve repeatable business outcomes?**

Yes, we would consider it.

2. **Who is the main person(s)/ decision maker (s) or team – who would probably be responsible (or is responsible) for the decision to use RPA/IA in your organization? - Name/title/ contact details**

Key decision makers and influencers would be:

Hazel.stuart@jpaget.nhs.uk – Medical Director

Andrew.palmer@jpaget.nhs.uk – Director of Transformation and Workforce

John.gash@jpaget.nhs.uk – Head of IT
