

Freedom of Information Request – 4744

For the last five financial years (2021/22, 2022/23, 2023/24, 2024/25 and 2025/26), please provide the following:

1. The total amount spent on electricity, in GBP, at each of your Trust's hospital sites.
2. The total amount spent on gas, in GBP, at each of your Trust's hospital sites.
3. The total amount of electricity consumed, in kWh, at each of your Trust's hospital sites, where available.
4. The total amount of gas consumed, in kWh, at each of your Trust's hospital sites, where available.

Please provide a breakdown of this information by the following:

- Per financial year
- Per hospital site for which you are responsible

If possible, please exclude energy costs relating to any Trust-owned buildings which do not operate on a hospital site.

		Electricity	Gas		Total			Electricity Usage kWh	Gas Usage kWh
2025-26	JPUH	£ 1,517,396	£ 752,467		£ 2,269,864		JPUH	5,803,458	12,574,723
