Freedom of Information Request – 4568

Under the Freedom of Information Act, I would like to request the following information regarding the uptake of Vitamin K prophylaxis for newborn babies within your Trust for the calendar years 2019, 2020, 2021, 2022, 2023, 2024, and 2025:

- **The total number of live births recorded by the Trust's maternity services for each year.**
- **How many of those infants received Vitamin K via intramuscular injection.**
- **How many of those infants received Vitamin K orally.**
- **How many infants were recorded as not receiving Vitamin K prophylaxis (e.g., due to parental refusal/opt-out).**

If possible, please provide the information in the following format:
