- In the financial years 22/23, 23/24 and 24/25, how many of these cancellations were owing to problems relating to faults in equipment and infrastructure? Specifically, we are looking at the following reasons for cancellation: Equipment being unavailable due to damage, the operating room was deemed unsuitable (due to factors such as temperature, mould or concerns about its structural integrity e.g. RAAC). Please provide a breakdown by year and by reason for cancellation (Equipment, Infrastructure concerns and other).

Financial Year	Cancellation Reasons	Number of Cancellations
