

Freedom of Information Request – 4199

Can you please provide the following information:

- How much in total was spent by maternity departments you are responsible for, for each calendar year dating back to 2016? Including all staffing, equipment and other costs.
 - The preference is for calendar years, but if the information is more easily recovered by financial years and converting to calendar years would make the request exceed the Section 12 cost limit, delivering the data by financial year is fine thanks.
 - Likewise, if it would exceed the Section 12 cost limit to extract data beyond a certain year, providing data for as many years as would not exceed the limit would also be fine.
