

For the health of our patients

We work hard to maintain
high standards of

INFECTION CONTROL

We expect EVERYONE
to follow these rules:

✓ **Use the hand rub** when
entering and leaving all wards
and clinical areas.

✓ **Only 2 visitors by the bed**
at any time.
Do not sit on the beds.

✓ **Do not visit** if you have a
heavy cold/flu,
diarrhoea and/or vomiting

By following these rules
you are helping us to maintain a
SAFE ENVIRONMENT for our patients
