Freedom of Information Request – 3487

1. Has your Trust procured any pancreatic enzyme replacement therapy (PERT) products from overseas suppliers between January 2023 and present? Please respond with yes or no.

No

If yes, please answer the following:

1. Which countries were these products sourced from?
2. How many 'special order' prescriptions for these products have been dispensed?
3. What percentage of the local demand has been covered by these overseas products?
